EDUCATION	M.Sc. Computer Science Technion — Israel Institute of Technology LitLab (3D Machine Learning), advised by Dr. Or Litany	2024 – Present
	B.Sc. Computer Science Technion — Israel Institute of Technology GPA 97.9/100	2021 – 2024
	Exchange Semester KAIST — Korea Advanced Institute of Science & Technology	Fall 2023
AWARDS & HONORS	President's Excellence Award, all 5 semesters	
	1st in B.Sc. Graduating Class, finished 1 year early	
	LAPIDIM Excellence Program, Technion CS Innovation Track	
	Teaching Excellence Award ×2, Technion CS	2025
	1st Place, SKILLZ National Coding Competition	2017
PUBLICATIONS	VideoMDM: Towards 3D Human Motion Generation From 2D Supervision A. Mann, G. M. Harari, O. Litany <i>Preprint</i>	2026 [Project Page]
	SpectralSplats: Robust Differentiable Tracking via Spectral Moment Supervision A. Cohen Rimon, A. Mann, M. Ben Chen, O. Litany <i>ECCV</i>	2026 [Project Page]
	Time-to-Move: Training-Free Motion Controlled Video Generation via Dual-Clock Denoising A. Singer [†] , N. Rotstein [†] , A. Mann, R. Kimmel, O. Litany ([†] equal contribution) <i>ICLR</i>	2026 [Project Page]
TEACHING	Head Teaching Assistant — Deep Learning (02360781) Technion, Faculty of Computer Science	Winter 2026
	Teaching Assistant — Topics in Transformers & Attention (02360004) Technion, Faculty of Computer Science	Spring 2025
	Teaching Assistant — Data Structures (02340218) Technion, Faculty of Computer Science	Spr. 2024, Win. & Spr. 2025
ACADEMIC PROJECTS	Fluid Simulation Tool Bercovici Fluidic Technologies Lab Rhino/Grasshopper plugin for mesh-based fluid equilibrium simulation.	Spring 2024
	Genomic Variant Analysis Phillipa's Lab Pipeline (bcftools, GATK, plink, gnomAD) to identify rare mutations in a delayed puberty cohort.	Spring 2024
	Neural Network Robustness Verification SAFE lab Accelerated L0 adversarial robustness verification via regression-based dynamic strategy selection.	Winter 2024
OTHER EXPERIENCE	Intelligence Research Analyst — IDF Unit 8200 Data analysis across multiple independent sources. Cross-unit project leadership.	2018 – 2021
	Coding Competition Developer — Westran Digital / Ministry of Education Developed SKILLZ 2018, Israel's national high-school coding competition.	2017
